WGX-25 X-Ray Mail Scanner

The WGX-25 X-Ray Mail Scanner is a slim-line, large capacity, colour imaging mail and parcel scanner.

Requiring only a simple click of the mouse to recognise everyday items and identify explosive device.

The WGX-25 X-Ray Mail Scanner can see inside your mail and provide on the spot confirmation of unusual or unexpected packages.

Key features

- ▶ Large inspection chamber accepts postal trays, parcels and briefcases;
- ▶ Slim-line design;
- ▶ Quick and easy to use;
- ▶ A simple mouse control;
- ▶ Latest colour technology;
- ▶ Freestanding with front loading door;
- ▶ Optional image download via network cable or USB stick.

Reassurance for your staff

The WGX-25 X-Ray Mail Scanner provides on the spot verification of unusual packages giving reassurance to all staff handling mail.

Compact and Easy to Use

The WGX-25 is designed for easy use by non-technical staff; it combines a large inspection chamber with a slim-line cabinet allowing you to examine volume mail, large parcels and briefcases in areas where space is at a premium.

Rapid Screening:

Items are placed into the front loading inspection chamber and a single button action produces a clear image of the contents in seconds.

Imaging & Operation

- ▶ Automatic image enhancement;
- ▶ Negative or inverse image option;
- ▶ 8 x zoom;
- ▶ 3 colour options for highlighting medium and high density objects;
- ▶ Flat panel high definition monitors offer improved object recognition;
- ▶ Easy to use trackball mouse offers flexible control.

WGX-25 X-Ray Mail Scanner

Health and Safety

WGX-25 X-Ray Mail Scanners use very low level X-rays and conform to all published international Electrical Safety and Radiation Standards and are issued with a certified Radiation Safety and Test report.

X-Ray Image Recognition

Basic Operator Training and X-ray image recognition charts can be provided.

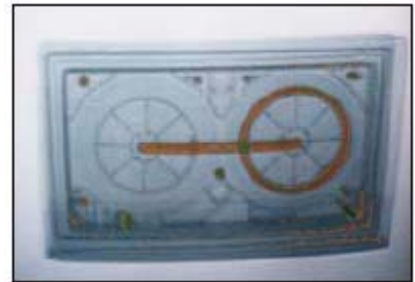

Servicing and Support

Full maintenance and back-up support is available. Due to the nature of its design the WGX-25 has no conveyor or electrical moving parts that might require expensive servicing.
